

IN REPLY REFER TO:

United States Department of the Interior

NATIONAL PARK SERVICE
National Capital Region
1100 Ohio Drive, S.W.
Washington, D.C. 20242

PUBLIC GATHERING PERMIT

Permit: NCA-NAMA-EVNT23-1053

Date: September 13, 2023

In accordance with Park Regulations as contained in C.F.R., Title 36, Chapter 1, Section 7.96, permission is granted to conduct a public gathering to the following:

Person(s) and/or Organization(s): W3HAC Amateur Radio Club

Dates & Time(s): 9/16/2023 8:00 AM

To: 9/23/2023 3:30 PM

Location(s):

Constitution Gardens; Mall: Center Turf Panels 4th - 7th Street (Center Turf Panels 28-26)

Purpose: This is a "fox hunt" or radio direction finding event to introduce people to this fun activity. Two small portable transmitters (basically walkie talkies) would be located on the mall and operated fully in accordance with FCC rules by licensed radio amateurs. The "hunters" would try to locate the transmitter using handheld directional antennas. These antennas would be bigger, like small versions of the old rooftop TV antennas and connected to handheld radios

Anticipated Number or Participants: 50

Person(s) in Charge: Roy Roberts

Washington, DC, 20002

Redacted....

Mobile Number:

This permit is granted subject to the following conditions:

1. Permittee and all participants authorized therein must comply with all of the conditions of this permit and with all reasonable directions of the United States Park Police.
2. All sidewalks, walkways, and roadways must remain unobstructed to allow for the reasonable use of these areas by pedestrians, vehicles and other park visitors.

PERMITTEE IS RESPONSIBLE FOR READING AND ADHERING TO ATTACHED
ADDITIONAL CONDITIONS.

This copy is not digitally signed, because the digital signature was removed in order to redact Roy's contact info!

PERMIT # 23-1053

ISSUED TO: W3HAC AMATEUR RADIO CLUB

LOCATION: MALL CENTER TURF PANEL BETWEEN 7TH -14TH STREETS

SEPTEMBER 16, 2023 (12:00 P.M. – 8:30 P.M.)

Activity Overview: W3HAC Amateur Radio Club will conduct a “fox hunt” or radio direction finding event for members. The hunters will try to locate the transmitters located on the Mall using hand held directional antennas. Participants will come various locations in the area. The estimated number of participants is less than 30.

Timeline

8:00 am – 8:30 am

Setup tables with base antennas

8:30 am – 3:00 pm

Participants try to locate base stations

3:00 pm – 3:30 pm

Participants disperse

**Authorized structural equipment permitted to setup on center turf with the 9th – 14th Streets:
Unless otherwise noted equipment will be setup on gravel:**

- a. None

Authorized structural equipment permitted to setup on north/south gravel and east/west gravel walkways only between 7th -14th Streets:

- a. Handheld radios
- b. Antennas
- c. 2 Tables
- d. Homemade “ammo can” transmitter

General Conditions:

- A. Cleats are not permitted for use of Mall turf panels.**
- B. Additional Permits:** The Permittee is responsible for obtaining the necessary permissions and/or permits from the Metropolitan Police Department (202-671-6522), or from other federal, state or local agencies or departments for the use of public lands other than those under the jurisdiction of the National Park Service.
- C.** Prior to beginning construction or placement of all facilities, will contact Marisa Richardson to coordinate specific logistical requirements. Permittee and its representatives will follow instructions provided by these individuals with regard to accessing park property and will take all precautions to protect park resources.
- D. Permittee is responsible for reimbursing the National Park Service for any resource damage which may be incurred as a result of this permitted activity.**
- E. All request, correspondence and meetings with the National Park Service pertaining to this permit shall be scheduled by the permittee in writing only. All contractors, subcontractors or consultants must channel their request through the recognized representatives of the permittee who in turn will contact the National Park Service representative.**

PERMIT # 23-1053

ISSUED TO: W3HAC AMATEUR RADIO CLUB

LOCATION: MALL CENTER TURF PANEL BETWEEN 7TH -14TH STREETS

SEPTEMBER 16, 2023 (12:00 P.M. – 8:30 P.M.)

- F. The Permittee is responsible for providing all necessary equipment/objects to conduct this activity. All equipment must be removed from the park immediately following the conclusion of the event on September 16 at 3:30 pm. Items left in the park will be considered abandoned property and will not be the responsibility of the National Park Service.**
- G. In accordance to the Superintendent's compendium all individuals participating in the permitted event or activity must wear masks in accordance with the current mask-wearing requirements. The Superintendent's Compendium is available at www.nps.gov/nama. When COVID-19 Community Level is LOW or MEDIUM in parks located in Washington Metropolitan Area individuals are not required to wear mask. Mask are required to be worn when COVID-19 Community Level is High in one or more, but not all of counties where park is located based on COVID-19 Community Levels. However, if state, local, tribal, or territorial government where the park is located imposes more protective mask-wearing requirements than those indicated by the COVID-19 Community Level, individuals must follow those more protective requirements within the park. More protective state, local, tribal, or territorial mask-wearing requirements are hereby adopted as federal requirements in all units of the National Park System located within that state, locality, area subject to a federally recognized Indian tribe's regulatory jurisdiction, or territory, regardless of a particular park's jurisdictional status.
- H. Masks must cover the nose and mouth and fit snugly around the nose and chin with no large gaps around the sides of the face. Novelty/non-protective masks, masks with ventilation valves, or face shields do not meet the Center for Disease Controls recommendations. Permittee is required to inform all participants at event of this requirement and ensure compliance.
- I. All request, correspondence and meetings with the National Park Service pertaining to this permit shall be scheduled by the permittee only. All contractors, subcontractors or consultants must channel their request through the recognized representatives of the permittee who in turn will contact the National Park Service representative.
- J. The permittee shall insure that all facilities and structures placed on park property adhere to all applicable codes, standard, and regulations including but not limited to BOCA, OSHA, USPHS and ADA, covering requirements including but not limited to safe handling of all chemicals, proper disposal techniques and grounding of generators. Permittee will submit to the NPS structural evaluation and design specification for all structures, e.g. arks, tents, stages, cable trusses, audio and video towers, etc. for NPS review and approval.
- K. All activities pursuant to this permit shall be in compliance with the requirements of Title VI of the Civil Rights Act of 1964 (78 Stat. 252; 42 U.S.C. 200d ed seg.); Title V, Section 504 of the Rehabilitation Act of 1973 (87 Stat. 394; 29 U.S.C 794); the Age Discrimination Act of 1975 (89 Stat. 728; 42 U.S.C. 6101 et seg.); and with all other Federal laws and regulations prohibiting discrimination of grounds of race, color, national origin, handicap, religion, or sex in employment and in providing facilities and services to the public. Nothing advertising for employees shall be done which will prevent those covered by these laws from qualifying for employment.

PERMIT # 23-1053

ISSUED TO: W3HAC AMATEUR RADIO CLUB

LOCATION: MALL CENTER TURF PANEL BETWEEN 7TH -14TH STREETS

SEPTEMBER 16, 2023 (12:00 P.M. – 8:30 P.M.)

- L. All proposed amendments or additions to this permit and all proposed locations of vehicles, equipment, storage, installations of any kind, areas of activity, work and power plans shall be submitted to the NPS for prior written approval prior to the installation of facilities. These proposals shall be in map or diagram form suitable for on the ground inspection.
- M. The permittee shall require all employees and/or contractors to exercise all normal and reasonable safety precautions and to protect park visitors and property. Suitable devices such as barricades, fences, lanterns, etc. necessary for employee and public safety, shall be provided and adequately maintained. Such devices require the concurrence of the permit specialist or designated representative.
- N. Throughout the course of this permit, permittee, is responsible for taking all necessary precautions to minimize resource damage throughout the permitted area. In addition, permittee must supervise their contractors and employees during set-up and teardown to assure that there is no damage to park resources. All staff, volunteers, artists/participants, and vendors involved in the construction and teardown of the stages and other structures will be issued some form of identification. The credentials will identify the person by name and category and include any event logo. Colored copies of all credentials will be provided to NPS and USPP in advance of the construction.

General Permittee Conditions

- O. No interference with the pedestrian traffic and no blocking of entrances, sidewalks, or driveways is allowed. No impediment to or disruption of vehicular traffic is permitted. All areas are to remain open to the general public at all times.
- P. Throughout the course of the permit, the Permittee will require employees/volunteers, and contractors, to exercise special care and attention to protect the resources of the National Mall between 7th-14th Streets and its environs. In addition, the Permittee must supervise their contractors, volunteers, and employees during setup and teardown to assure that there is no damage to park resources.
- Q. The permittee shall require all employees and/or contractors to exercise all normal and reasonable safety precautions and to protect park visitors and property. Suitable devices such as barricades, fences, lanterns, etc. necessary for employee and public safety, shall be provided and adequately maintained. Such devices require the concurrence of the NPS Coordinator or designated representative.
- R. The Permittee is responsible for providing all necessary equipment/objects to conduct this activity. All equipment must be removed from the park immediately following the conclusion of the event. Items left in the park will be considered abandoned property and will not be the responsibility of the National Park Service.

PERMIT # 23-1053

ISSUED TO: W3HAC AMATEUR RADIO CLUB

LOCATION: MALL CENTER TURF PANEL BETWEEN 7TH -14TH STREETS

SEPTEMBER 16, 2023 (12:00 P.M. – 8:30 P.M.)

- S. **Setup of any type equipment including but not limited to, staging, tents, chairs, bicycle rack, card board recycling or trash containers, exhibits, displays etc. is not permitted on the center panels of the Mall between 7th-14th Streets without the approved turf protection flooring. SETUP ON TURF IS NOT PERMITTED AS PART OF THIS PERMIT.**
- T. **The collection of entry/registration fee is prohibited on parkland.**
- U. **Balloons of any kind, glass containers and alcoholic beverages are not permitted.**
- V. **Accessibility:** The Americans with Disabilities Act (ADA) states that people with disabilities must be able to obtain or enjoy “the same goods, services, facilities, privileges, advantages, or accommodations” that are provided to other members of the public. The ADA applies to temporary facilities, structures, services, programs, and activities associated with this permitted event. Permittee is responsible for providing the following:
 - a. Permittee’s policies and operations for the event must meet the nondiscrimination requirements of the ADA, including, but not limited to provision of accessible parking, routes through site, food service, toilet, facilities, and assembly seating.
 - b. Permittee is responsible for providing auxiliary aids and services as requested. Permittee is responsible for providing promotional material explaining how the public can request a particular auxiliary aid or service and be informed of when specific auxiliary aids and services may be available for all Welcome Celebration activities held on parkland.
 - c. Service animals, as defined by the Americans with Disabilities Act (ADA), are permitted under proper supervision. The ADA defines a service animal as any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability. If they meet this definition, animals are considered service animals under the ADA regardless of whether they have been licensed or certified by a state or local government.
 - d. The Permittee must consider elements of accessibility when designing the layout of the event. Potential items for inclusion are:
 - 1. Addition of temporary curb ramps where needed to provide an accessible route
 - 2. Location of structures and tents along an accessible route
 - 3. Provision of auxiliary aids and services
 - 4. Provision of and an accessible route from transit stops to the event location
 - 5. Provision of tactile braille signage
 - 6. Provision of portable wheelchair lifts to access stages or other elevated areas.

PERMIT # 23-1053

ISSUED TO: W3HAC AMATEUR RADIO CLUB

LOCATION: MALL CENTER TURF PANEL BETWEEN 7TH -14TH STREETS

SEPTEMBER 16, 2023 (12:00 P.M. – 8:30 P.M.)

- W. **Accessible Route:** Permittee is responsible for providing individuals who use wheelchairs or walking aids or who walk with difficulty, an accessible route of travel throughout the event site. A successful accessible route connects site arrival points and parking with all exterior and interior event exhibits and activities, including public amenities, such as toilet rooms, water coolers, and concessions.

This single continuous path should:

1. Be smooth, but not slippery.
 2. Be as level and as wide as possible without low or overhanging hazards or obstructions.
 3. Not require the use of stairs.
- b. **Space Requirements for Wheelchairs:** Permittee is responsible for establishing accessible routes to ensure that people who use mobility aids can successfully navigate through the environment/event site. A space that is a minimum of 30 inches wide by 48 inches long is necessary to park a wheelchair in a stationary position. The space necessary for people using wheelchairs to make a 180-degree turn is a circle with a diameter of 60 inches.
- c. All ADA areas should be clearly marked.
- X. **Commercial Advertising Signage:** Consistent with long-standing NPS regulations and policy, and Public Law 108-108, Title I, §145, the erection, placement, or use of structures and signs bearing commercial advertising is prohibited for any special event. The recognition of special events sponsors, however, may be allowed if it has been specifically authorized by this permit.
- a. A permit may be issued that authorizes the recognition of sponsors of special events, if the NPS determines that the size and form of the recognition is consistent with the special nature and sanctity of the National Mall or any other requested park area, and if the lettering or design identifying the sponsor is no larger than one-third the size of the lettering or design identifying the special event. Further, to the maximum extent practicable for such special events, public use of and access to the National Mall and other parkland is not to be restricted.
 - b. The Permittee shall submit a sign plan for NPS review and approval. Any request seeking NPS approval for sponsor recognition must be submitted to the NPS at least 14 days prior to the proposed event, and if approved by the NPS, will be authorized within the terms of the special event permit. Authorized sponsor recognition must be in keeping with NPS policy, regulations, and laws and be appropriate to the scale and theme of the special event. Further, the overall size, number, and design of any signs or banners shall be appropriate to the park setting and lettering or design identifying the special event. Signs and banners may not be affixed to existing trees or other NPS facilities or structures.
 - c. Only signs and/or banners specifically identifying and/or announcing the event or portion of the event are permitted. Commercial sponsors may be recognized on these same banners by letters and/or logos not to exceed one-third the height and width of the primary lettering identifying the event.

PERMIT # 23-1053

ISSUED TO: W3HAC AMATEUR RADIO CLUB

LOCATION: MALL CENTER TURF PANEL BETWEEN 7TH -14TH STREETS

SEPTEMBER 16, 2023 (12:00 P.M. – 8:30 P.M.)

- Y. Distribution and Giveaways:** Distribution or give-away of any commercial product is limited to only those that may be consumed on the event site such as juices or popcorn. Soliciting personal information such as names, addresses, telephone numbers, zip codes, etc., or any other information which may be used for future solicitation, or marketing purposes is strictly prohibited. A list of all giveaway items will be provided to the National Park Service for approval.
- Z. Fire Hazards:** To prevent potential fire hazards permittee must adhere to the following:
- a. **Flammable and Combustible Clearance:** A minimum of 10 ft. clearance of all flammable or combustible materials or tall vegetation and trees.
 - b. **Source of Ignition:** Sources of ignition, including matches and lighters, shall not be used within 20 ft. (6m) of areas used for fueling, servicing fuel systems of internal combustion engines, or receiving or dispensing of Class I and Class II liquids – examples include gasoline, diesel fuel, lacquers paint thinner
 - c. **No Smoking:** Smoking shall not be permitted especially in areas where combustible materials are located. Plainly visible “No Smoking” must be visible.
- AA. Fire Hydrants:** A minimum 36 in. of clear space shall be maintained to permit access to and operation of fire protection equipment, fire department inlet connections, or fire protection system control valves. Vehicles must maintain a 15 ft. clearance of all fire hydrants.
- BB. Sales:** Special attention is drawn to item #4, on the last page of this document, concerning solicitation and sales. No fee may be collected, donation solicited, or commercial activity conducted. No items may be sold or offered for sale except for books, newspapers, leaflets, pamphlets, buttons and bumper stickers which contain a message related to your demonstration or special event. Permittee is authorized to sell message bearing items listed above.
- CC. Sound:** Particular attention is called to item #7, on the last page of this permit concerning sound amplification. All sound amplification equipment shall be limited so that it will not unreasonably disturb nonparticipating persons in, or in the vicinity of, the area.
- DD. Trash/debris pickup:** All trash and debris shall be cleared from the grounds of the permitted immediately after the conclusion of the special event each day. Trash receptacles for this effort shall be provided and removed from the site accordingly by the permit holder. Trash receptacles must not overflow with trash or debris. Use of clear trash bags is required for all trash receptacles used for the event.

PERMIT # 23-1053

ISSUED TO: W3HAC AMATEUR RADIO CLUB

LOCATION: MALL CENTER TURF PANEL BETWEEN 7TH -14TH STREETS

SEPTEMBER 16, 2023 (12:00 P.M. – 8:30 P.M.)

EE. Volunteers and Staff: All, staff, volunteers and, exhibitors involved with the walk will be issued some form of identification and will help maintain order among your participants. Volunteers should be aware of their responsibilities and location(s) where they will be stationed and have received from demonstration organizers adequate training and instructions. Volunteers should be aware of the time and location of the assembly and any march routes, the location of any first aid stations, water, and toilets, be knowledgeable of the NPS permit conditions, be able to communicate with law enforcement, as well as what to do if they think they observe any problems. While volunteers do not act as police, they do help maintain order among participants, explain to non-participants that a particular area may be under permit, and be able to alert their supervisor and the United States Park Police in the event they observe a problem on Federal parkland.

Health, Medical and Safety

FF. Emergency Access: All pathways and roadways must remain open and unobstructed. A minimum fifteen-foot (15') drive aisle must remain open at all times for emergency vehicle egress. No temporary or permanent structures may be located within the egress lane. The egress drive aisle must be shown on site plan. At the permittee is responsible for maintaining emergency access chutes to allow medical personal to travel freely in case of an emergency or transport of patients.

GG. Medical Aid Stations: Person in charge is responsible for providing medical services onsite. The Permittee may rely on 911 for emergency services.

HH. Weather (adverse) Policy during an Event Program: When there is a threat to public health or safety, the Superintendent and/or designee, may close the National Mall or an event being hold there for such duration as determined necessary to ensure the safety and well being of the public. Such situations have occasionally occurred in the past where park areas have been closed due to severe weather warning of heavy snow, thunderstorms with lightning, high winds, cold and intense heat. Where an area is ordered closed due to a weather-related public safety threat, pursuant to 36 CFR 2.32 people must comply with official directions to leave the closed area and relocate to safer sheltered locations. Weather will be monitored throughout the duration of event. Permittee is responsible for ensuring that adequate resources are available to deal with extreme weather conditions. For example extreme heat, cold, rain snow etc.

II. Weather (adverse) Policy during Setup or Strike: During wet conditions caused by rainfall, snow melt, or frost melt, activities on turf must be suspended until conditions allow for work to continue. Signs of mud staining, foot printing, or when there is rainfall in excess of .25", will trigger a cessation of work and coordination with the NPS to determine the best way forward given current conditions, forecasted conditions, and deadlines.

***Turf manger will measure turf levels**

PERMIT # 23-1053

ISSUED TO: W3HAC AMATEUR RADIO CLUB

LOCATION: MALL CENTER TURF PANEL BETWEEN 7TH -14TH STREETS

SEPTEMBER 16, 2023 (12:00 P.M. – 8:30 P.M.)

JJ. Vehicles of any kind including but not limited to delivery cranes, forklifts, golf carts, trailers, exhibit trailers etc. are **prohibited from driving on the center grass panels of the National Mall with or without flooring material.** Vehicles are not permitted to be parked or driven on pedestrian flooring. Logistical vehicles moving heavy equipment, setting-up tents, stages, placing display vehicles, stored equipment, materials, etc., on the Mall must use the gravel roadways to unload equipment and hand carry equipment to the permitted area. All equipment must be hand carried onto the turf. **Vehicles must be parked at least 5 feet away from the granite curbing.**

KK. **POV's are not permitted on the Mall under any circumstances.** Unloading and loading of vehicles transporting portable equipment, materials and supplies must be hand carried or carted from either Jefferson or Madison Drives.

LL. Logistical vehicles, including carts, trucks and vans must not exceed 5-mps , except when being driven on established public vehicular roadways. All trucks with a GVW of over 7500 pounds and equipment such as bucket trucks, platform lifts and forklifts, must be accompanied by a walking spotter when moving or operating in an area accessible to the public. All individuals operating motor vehicles on park property must possess a valid driver license. All vehicles operating after dusk must have fixed and/or portable illumination.

Resource Protection for National Mall

MM. Pursuant to 36 CFR 7.96(g)(xii), the alteration, damage, or removal of park resources or facilities is prohibited. No holes may be dug and no item, including signs or banners, may be attached to park trees, plantings, benches, fences, light standards, or any other park landscape element.

NN. **The turf manager will inspect the area for damage after the event in order to determine the extent of turf that will need to be replaced by sod.**

OO. **In the event of significant rainfall permittee should contact Mr. James Snell, Turf Manager, 202-245-4668, to request an inspection of the grounds and approval to drive on gravel walks or setup on turf .**

PP. Tear-down of the stage and structures should begin immediately following the load out of show productions. Unless conditions due to weather would cause tear down operations to damage the turf.

QQ. Vehicles of any kind including but not limited to delivery cranes, forklifts, golf carts, trailers, exhibit trailers etc. are **prohibited from driving on the center grass panels of the Mall with or without flooring material.** Vehicles are not permitted to be parked or driven on pedestrian flooring. Logistical vehicles moving heavy equipment, setting-up tents, stages, placing display vehicles, stored equipment, materials, etc., on the Mall must use the gravel roadways to unload equipment and hand carry equipment to the permitted area. **Vehicles must be parked at least 5 feet away from the granite curbing.**
